USERS are granted varying levels of privileges:

A USER may register for free as a GUEST and, upon invitation, be granted access to an MEMBER's hosted CHANNEL.

A USER may also register as a MEMBER and gain access to create and manage personal CHANNELS.

An individual USER registering as a MEMBER is presented with 2 options for payment:

- Paypal (email address of record with Paypal is required)
- Standard credit card transaction protocols

A USER registering as a GUEST will bypass this step.
